John Barrett MP

Dear Resident,

When I was re-elected as the Member of Parliament for Edinburgh West I promised to report back to every household in the constituency about the work I have been doing at Westminster and locally. I hope this, my sixth annual report, gives you a flavour of what I have been working on in the last twelve months.

It is equally important that I hear your views and if there is any issue you feel strongly about, or any issue of concern you feel I should be taking action on, please do not hesitate to get in contact with me. It is only by listening to local people that I can

do my job of representing Edinburgh West in Parliament properly.

I also keep in regular contact with a large number of community groups and if you are involved in a group or organisation I have not yet contacted, please write to me with their details.

Should you require further information on any aspect of my work, or more information on any issue in this report, please contact me. I am always happy to deal with any issue related to Westminster and if I can be of service to you, please do not hesitate to get in touch.

With best wishes

*John Barrett*

## Working in Parliament

This parliamentary term has proven to be another busy one. In the past year I have succeeded in securing parliamentary debates on reform of the Child Support Agency, Tax Credits and the prospects for an environmentally friendly high speed rail link between Edinburgh and London.

This coming year will be very important with a new Prime Minister in post and key bills on Pensions, Climate Change, and compulsory ID cards, all coming before parliament. One of my most important jobs is raising local issues and concerns with Government Ministers. Please let me know if there is a particular issue you would like me to raise at Westminster.

### Visits to the House of Commons

Over the last year I have welcomed many school visits and individual constituents to Westminster. If you are planning a visit to London and would like to visit Parliament, please contact my office and I would be happy to arrange a tour.

## Benefits and Pensions

Our benefits system is hugely overcomplicated with around 50 separate benefits, 250 different rates and countless long and complicated forms. Almost every week this year I have met constituents who have had their benefits miscalculated – much of this is down to the needless complexity at the heart of the system. Tax credit Overpayments now total £8.6 million across Edinburgh throwing many budgets into disarray.

The take-up rate of pension credit is also shockingly low with more than 40% of pensioners across Edinburgh not receiving the help to which they are entitled. I have been calling on the Government

to radically simplify the system so that people receive benefits based on need, not on how good they are at filling out complicated forms.

If you have a benefits problem or if you are not yet receiving pension credit but think you may be eligible, then please contact my office for advice.

## Out and About in the Community

I am always looking to hear the views of local community groups and organisations on the big issues in your local area. As a long-time community activist, I am well aware of the importance of local community involvement.

It has been a great pleasure to support a number of community events and fundraisers over the last year. Throughout the last 12 months I have visited many

schools, churches, and local groups and organisations to speak both about the work of an MP and to answer questions about my 5 years on the International Development committee.

If you are part of a group and would like me to speak to you on a particular issue please, do not hesitate to contact my office. I look forward to meeting many more constituents in the coming year.

Recent events and visits include: Ratho Gala Day, Kirkliston Gala Day, Edinburgh Airport (security), Murrayfield Stadium (flood protection), BAA Youth Games, St Serfs School, Drumbrae Community Council, Carrick Knowe Parish Church fundraiser, St Anne's Church, Kirkliston Myasthenia Garavis Association fundraiser, Murrayfield Parish Church JUST US Group, Drylaw Parish Church,

“Good Neighbour Award” presentation, Roseburn Primary School, St Serfs School, Cargilfield School, “Bin the Bomb” Rally, Stenhouse Primary School, Balgreen Primary School, Queensferry Lifeboat Branch Jazz fundraiser, Corstorphine Trust, Friends of Corstorphine Hospital, St George's School for Girls, SSPCA, Highland Show, Edinburgh Zoo Masterplan meeting.

## Veterans' Badges

Over the last 12 months the Government has twice extended the eligibility for veterans' badges. The badges are now available to all men and women who served in the armed forces up until 31 December 1994, however many veterans now eligible have either yet to apply, or are unaware of the extension.

There are also veterans' badges for Merchant Navy seafarers and fishermen who served in vessels assisting military operations by UK Armed Forces at any time prior to 31 December 1969.

I have been working hard to make sure that as many veterans as possible across Edinburgh West are able to claim the award and have so far helped almost 400 veterans claim their badges. If you think you might be eligible and would like an application form please contact my office and I will send you a form.
